

## TWIC Immigration Reference Guide -- *\*Eligible\* Categories for Non-U.S. Citizens*

As of: October 2013

### **IMMIGRATION CATEGORIES AND REQUIRED DOCUMENTS**

**Note:** All documents listed below must be unexpired and valid. The only exceptions are: expired I-551's may be accepted; expired visas may be accepted if accompanied with an unexpired I-94; and expired EADs may be accepted for TPS holders.

Effective April 30, 2013, paper I-94s will no longer be issued by the U.S. Customs and Border Protection (CBP) at air and sea environments, rather an electronic record will be created upon an individual's arrival and an admission stamp will be placed on their travel document. These individuals will be able to print out an electronic I-94 (from [www.cbp.gov/I94](http://www.cbp.gov/I94)). Since automation only affects air and sea arrivals, paper I-94s will continue to be issued at the land borders. CBP will also provide paper I-94s to refugees, certain asylees parolees, and whenever they determine the issuance of a paper form is appropriate. While traditional paper-based I-94s will continue to be acceptable for TWIC enrollment purposes, the new I-94 electronic print-outs will now be valid as well.
